Display Rack - Part # DSN0.00BK

Our new display rack allows easy access, inventory management and by-the-foot sales. The rack is constructed from tough ABC plastic, with plenty of room for a wide range of products. The spools simply drop into the preformed slots and turn freely for dispensing. The display rack holds 7 shop spools or 9 retail spools. Full visibility and access ensures easy management of remaining inventory and simple drop-in replacement of new spools. Measurements: L=23 1/2" x W=10" x H=6". The display rack can be installed on: Slot Wall, Grid Wall, Counter, or Wall.

Bench Mount Hot Knife - Part # HKBENCH110

Heavy duty components and heavy gauge 2 1/2" blade make this tool ideal for use in production environments. Lighted power switch. Heats to 600°C / 1,112°F in 30 seconds. Replaceable blades. 110 volt operation.
